

2018 Little League Softball® Expanded Special Games Guidelines

The Little League Softball® Expanded Special Games Guide gives volunteers an easier approach to organize softball Special Game tournaments. Little League® continues to review, monitor, and update the guidelines each year to make the initiative more effective.

This inclusive guide provides modified softball playing rules to attract Little League players, coaches, and parents to our tournament setting. These regulations also serve as a platform for possible future softball rule revisions, without compromising Little League's core standards.

Specific adjustments to Expanded Softball Special Games have been made in game scheduling, participation, pitching rules, and team composition – designed to increase the competition level. Participation in some or all of these Expanded Softball Special Games also will calculate into softball players' Little League International Tournament eligibility, but only for the Junior Division and above.

The guide is divided into three main categories: Minor, Major, and Junior/Senior League. Age and physical development were considered when constructing the divisions and developing the Expanded Softball Special Games regulations. Little League-approved brackets are available online for both [Double Elimination](#) and [Pool Play/Single Elimination](#). Pool Play format guidelines, including tiebreaker procedures and runs-allowed ratio, can also be found on LittleLeague.org.

Little League is confident that these guidelines will entice softball teams and encourage leagues to coordinate more opportunities.

Except where noted in the Expanded Softball Special Games Kit, the Little League Softball Official Regulations and Playing Rules will be used in Expanded Softball Special Games for the Minor, Major, Junior, and Senior League divisions.

Failure to administer the Expanded Softball Special Games guidelines as outlined is subject to review and sanction of charter or tournament privileges by the Charter/Tournament Committee in Williamsport.

Additionally, leagues and districts must complete the proper Special Games Request Form as set forth by Regulation IX. Special Game Forms are available for [Special Games with Little League teams](#) or [Special Games with non-Little League teams](#).
