

Little League® International - Suppliers of Approved Equipment for Little Leagues

We wish to remind you that licensed and authorized Little League® products are sold only by approved manufacturers, each of which has been selected in part because of its reputation and quality.

We request that you report to us any other manufacturer that is selling or attempting to sell any product(s) in connection with any of our trademarks, including the initials “LL” and “LLB” or which are purported to be “authorized” or “official” Little League® products. Any such manufacturer may be liable for trademark infringement, and we will obtain legal advice concerning each situation. Thanks for your cooperation and assistance.

For a more comprehensive listing of Little League approved licensed products, equipment, and merchandise, please refer to the following links on the Little League website.
