Rights - Little League International has the exclusive right to authorize any and all television telecasting (live or recorded) of all games. As a non-commercial webcast, or with sponsorship limited to those products or services which meet Little League International standards for advertisements (see below and Attachment A), Little League International grants you the rights to record for telecasting and/or to telecast live, the above mentioned sports event. Whether or not the Little League name and/or marks are used to solicit advertising revenues, the rights fee is established at \$75 per game for each game to be telecast. The telecast in perpetuity is the property of Little League Baseball and Softball. Game footage posted to a website in its entirety comes with a per month fee (also see Page 4 for complete payment details). **(Note: One hundred (100) percent of the fees will accrue to the local or host Little League to offset expenses.)** This grant of television telecasting rights pertains only to the sports events at the time and place specified herein. Little League International maintains the right to use all or part of such footage for promotional purposes. A copy also may be provided to the host league at your discretion, but in no event will copies be sold or distributed by anyone to any party without the expressed written consent of Little League International (separate contract).

No interviews with players of the losing teams will be conducted until at least 30 minutes after the conclusion of the game.

Public Service Announcement – A 30-second public service announcement (PSA) to be provided by Little League International must be played at least three times during each game/telecast(s) covered by this contract, with all costs involved to be borne by the television company/network. The PSA will be delivered to the television station/network on a DVD.

All players appearing in the telecast must only use equipment that is in good working order, and that meets Little League standards for the correct division.
