Dear Coach XXXX,

My name is XXXX, and I am the President of XXXX Little League. I wanted to share some information about our program and share with you suggestions on how we can work together to develop the softball culture of our community. Over the past few years, Little League® has made a number of changes to its softball program that enhances its value as a feeder system for high school programs. These changes include:

- Updating Little League Softball® rules to align with NFHS rules (comparison enclosed)
- Creating a guide to allow more games and pitching in a weekend Little League Tournament (enclosed)
- Allowing leagues to register any players that attend a school located within their boundaries

Below is a list of ways that other Little League programs have worked with their high schools that I feel may be a good fit and help strengthen softball in our community.

- **Little League Days** – Little League players attend a high school game on a set day and have an opportunity to meet and greet the high school players after the game.
- **Training/Clinics** – High school coaches and/or players attend a one day clinic or training session and work with Little League athletes on fundamentals or with coaches on skills and drills.
- **Junior Umpire Program** – High school players volunteer time to umpire in the Little League program. This can help provide community service hours needed as part of a graduation requirement.
- **First Pitch/Event Speaker** – We hold xxx events during the season, from League Registration, Opening Ceremonies, and Jamborees to the District Tournament of Champions where we are always looking for local leaders to throw out a first pitch or give a motivational speech.

I appreciate your time reviewing the enclosed material and welcome additional discussion and suggestions on how we can work together. I can be reached at xxx-xxx-xxxx or at xxxx@email.com. Thank you for your time and your dedication to developing softball in our community. I look forward to working with you and your program.

Sincerely,

Name

League President
